IN THE MATTER OF THE APPLICATION OF
GOLDEN SHORES WATER COMPANY
FOR APPROVAL OF A DETERMINATION
OF THE FAIR VALUE OF ITS UTILITY
PLANT AND PROPERTY AND FOR
INCREASES IN ITS RATES AND CHARGES
FOR UTILITY SERVICES BASED THEREON

DOCKET NO. W-01815A-07-0117

**MOTION TO CONSOLIDATE
DOCKETS**

On February 23, 2007, the Golden Shores Water Company ("Golden Shores" or "Company") filed an application for a rate increase. On March 26, 2007, the Utilities Division Staff issued a letter of deficiency. Pursuant to the letter, the Company has until April 10, 2007, to correct the deficiencies or make other arrangements with Staff to remedy the rate application.

On December 12, 2006, Golden Shores filed an application for authority to issue long-term debt for the purpose of constructing water system infrastructure improvements.¹ The Company is requesting approval of this financing *nunc pro tunc*. The Company has already issued a Promissory Note to Bank One NA. The principle amount of the Note is \$286,200. The Company is using the funds to construct a new well and 250,000 gallon storage tank.

Since these two dockets are intricately related, Staff believes that consolidation is appropriate. This new long-term debt will impact the Company's capital structure. The Staff has talked to the Company's counsel about consolidation of the two dockets, and the Company has no objection to Staff's motion.

¹ In the Matter of the Application of Golden Shores Water Company for Authority to Issue Long-Term Debt in the Amount of \$286,200 and Related Approvals in Connection with the construction of Water System Infrastructure Improvements, Docket No. W-01815A-06-0775.

1 WHEREFORE, Staff respectfully requests that the applications of Golden Shores Water
2 Company for a rate increase and for authority to issue long-term debt be consolidated.

3 RESPECTFULLY SUBMITTED this 27th day of April, 2007.
